3. CONFIDENTIAL MATTER – 9.05AM

3.1 CHIEF EXECUTIVE OFFICER – CONFIDENTIAL MATTER - 9.05AM

3.1.1 STRATEGIC LAND PURCHASE 2 - UPDATE
The matter of the agenda item being the update on negotiations to undertake a strategic land purchase from a landowner could reasonably be expected to commercially disadvantage negotiations should it be made public and put at risk the ability to conclude a successful commercial and community outcome by Council. Therefore pursuant to Section 90(3)(b) of the Local Government Act 1999 (“the Act”) being information that disclosure of which:

i) could reasonably be expected to confer a commercial advantage on a person with whom the Council is conducting, or proposing to conduct, business, or to prejudice the commercial position of the Council; and

ii) would, on balance, be contrary to the public interest.

There is strong public interest in enabling members of the public to observe Council’s transparent and informed decision-making. This helps to ensure accountability, maintain transparency of public expenditure, facilitate public participation, assist public awareness and allow for the scrutiny of information. Attendance at a Council meeting is one means of satisfying this interest. The public will only be excluded from a Council
meeting when the need for confidentiality pursuant to Section 90(2) of the Act outweighs the public interest of open decision-making.

In this matter, the reasons that receipt, consideration or discussion of the information or matter in a meeting open to the public would be contrary to the public interest are that it would disclose the commercial pricing and offer position of Council and this would give an unfair advantage to a person with whom the Council proposes to do business or third parties also making offers to purchase the subject land in Nuriootpa.

On balance, the above reasons which support the need for confidentiality pursuant to Section 90(2) of the Act outweighs the factors in favour of the public interest of open decision-making.

**MOVED** Cr de Vries that Council:
(1) Under the provisions of Section 90(2) of the Local Government Act 1999, make an order that the public be excluded from the meeting with the exception of the Chief Executive Officer, Director Corporate and Community Services, Director Development and Environmental Services, Director Works and Engineering, and the Minute Secretary, in order to consider in confidence a report relating to Section 90(3)(b) of the Local Government Act 1999 relating to agenda item 3.1.1 Strategic Land Purchase 2 - Update being information that must be considered in confidence in order to ensure that the Council does not disclose information that i) could reasonably be expected to confer a commercial advantage on a person with whom the Council is conducting, or proposing to conduct, business, or to prejudice the commercial position of the Council; and ii) would, on balance, be contrary to the public interest; and

(2) Accordingly, on this basis, Council is satisfied that public interest in conducting meetings in a place open to the public has been outweighed by the need to keep the information and discussion confidential to ensure that disclosure of commercial pricing and the offer position of Council would not give rise to an unfair advantage to a person with whom Council proposes to do business.

**Seconded** Cr Grossman

**CARRIED 2014-18/1527**
