4. FUTURE MEETING TIMES AND MEETING PROCEDURE

**PURPOSE**
The Community Assistance Scheme Committee (CASC), in accordance with its Terms of Reference, to:
- decide on day, time and place for future CASC meetings
- determine CASC meeting process.

**RECOMMENDATION**
That the Community Assistance Scheme Committee:

1. will hold the next Committee meeting on 6 March 2019, and subsequent meetings in the first week of May, August, November and February each year or as determined by the Committee;

2. determines, pursuant to S27 of the Local Government (Procedures at Meetings) Regulations, that the Chairperson will have a deliberative vote on a matter arising for decision, but does not, in the event of a equality of votes, have a casting vote;

3. recommends to Council that an additional Elected Member be appointed to the Committee, making a total of five Members.

**REPORT**

**Discussion**

**Timing of Future CASC Meetings**
Section 8.3 of the CASC Terms of Reference states:
“Ordinary meetings of the Committee will be held quarterly or as determined by the Committee. The day, time and place for such meetings will be determined each year at the first ordinary meeting.”

Historically, CASC meetings have been held in the first week of September, December, March and June. Initial discussions regarding a change to the timing of future meetings took place at the 6 June 2018 CASC meeting, when Members discussed the difficulties of making funding decisions in June, particularly if the Community Grant and Youth Grant Budget is becoming depleted. Often the applications received are for activities being undertaken in the following financial year.

At the 1 August 2018 CASC meeting, Ms Tappert proposed that future meetings be held in the first month of each Quarter rather than in the last month. Members preferred that meetings be held prior to the Council Workshop on the first Wednesday of the month. January would possibly be an exception to this.

At the 5 September 2018 meeting, CASC decided to leave the decision to the incoming Committee, following the Local Government Elections.
Officers are now proposing that meetings be changed to the middle month of each Quarter and if approved, commence the new timing in the last Quarter of 2018/19 ie meeting to be held in May 2019 (instead of June). This would give appropriate notification time to the public.

Meeting Process
The following statements are in the CASC Terms of Reference:

8.2 “Insofar as the Act and/or Regulations or these Terms of Reference do not prescribe the process to be observed in relation to the conduct of a meeting of the Committee, the Committee may determine its own process. In that case, the Committee will document that process within its minutes.”

8.6 “All decisions of the Committee will be made based on the majority of the members present. All Committee members must (subject to a provision of the Act or Regulations to the contrary) vote on any matter arising for decision at a meeting of the Committee.”

8.1 “The meetings of the Committee will be held in accordance with Parts 1, 3 and 4 of the Regulations. Part 2 of the Regulations does not apply to this Committee.”

A copy of Parts 1, 3 and 4 of the Regulations are provided in Attachment 1 for Member information.

Advice to Officers has been that “all Members can move/second and should be voting, including the Chair”. Historically this has not been the case with Council committees, as they have followed the Council Meeting format ie the presiding member only having a casting vote and not a deliberative vote.

Section 27 of the Local Government (Procedures at Meetings) Regulations 2013 is as follows:

27—Voting at committee meetings
(1) Subject to the Act and these regulations, a question arising for decision at a meeting of a council committee will be decided by a majority of the votes cast by the members present at the meeting and entitled to vote on the question.

(2) Each member of a council who is a member of a council committee and who is present at a meeting of the committee must, subject to a provision of the Act to the contrary, vote on a question arising for decision at that meeting.

(3) The presiding member of a council committee has a deliberative vote on a question arising for decision at the meeting but does not, in the event of an equality of votes, have a casting vote.

Summary and Conclusion
The Local Government (Procedures at Meetings) Regulations 2013 infer that each Elected Member who is a member of a Council committee and who is present at a meeting of the committee, must vote on a question arising for decision at that meeting. In the event of a tied vote, the matter would be referred to Council for resolution.

The Act and Regulations are silent in relation to the presiding member moving or seconding a motion. This process can be decided by the committee and recorded in the Minutes.

Officers recommend that an additional Elected Member be appointed to the CASC as was the case during the last term.

8.1.1 DEBATE AGENDA - COMMUNITY GRANT APPLICATIONS

8.1.1.1 BAROSSA GAWLER AND LIGHT ADVANCE CARE PLANNING REFERENCE GROUP
B3342

PURPOSE
To consider a Community Grant Application from Barossa Gawler and Light Advance Care Planning Reference Group, seeking $3,000 towards its “Advance Care Directives Assist, Barossa” project.

RECOMMENDATION 1
That the Community Assistance Scheme Committee defers its decision on the Community Grant Application submitted by the Barossa Gawler & Light Advance Care Planning Reference Group towards its “Advance Care Directives Assist, Barossa” project, pending the outcome of the Group’s other funding applications.

OR

RECOMMENDATION 2
That the Community Assistance Scheme Committee approves/declines a Community Grant of $............. (excl GST) to Barossa Gawler & Light Advance Care Planning Reference Group towards its “Advance Care Directives Assist, Barossa” project.

If a Community Grant is approved:

RECOMMENDATION 3
That the Community Assistance Scheme Committee requests that the IT equipment trolley, projector screen, portable microphone and speakers become the property of The Barossa Council in the event that the Reference Group is dissolved.

REPORT

Background
The Barossa Gawler and Light Advance Care Planning Reference Group (the Group) has been established for eight years. “The role of the Group is to network peak bodies, stakeholders and consumers in order to progress Advance Care Planning as a core patient care element throughout the community and the health care settings and to promote Advance Care Planning across the public and private sector of South Australian health care.” (Terms of Reference 2015)
Introduction
The Group has provided information to the community for the last eight years regarding the need to complete an Advance Care Directive and will continue with community presentations and attendance at community events in the future. The “Advance Care Directives Assist, Barossa” project is a pilot project for the Group, based on another proven model in the State. The project will see trained volunteers from the Group working with the community to provide assistance and guidance to complete an Advance Care Directives form.

Discussion
The Community Grant Application and supporting documentation has been reviewed by Officers and comments are provided in the Application Summary Sheet - Attachment 1.

A copy of the Community Grant Application, including supporting documentation, is provided in Attachment 2.

Council’s Collaborative Project Officer has been liaising with the Group. Council has provided initial in-kind assistance through provision of an appointment booking service and a private room (Nuriootpa Library) in which to conduct the consultations. The Group started the free service in October 2018, providing three sessions every second Saturday morning which have been fully booked.

The Group are seeking a Grant of $3,000 to cover the stated project expenditure below:

<table>
<thead>
<tr>
<th>Item</th>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>IT Equipment Trolley</td>
<td>$300.00</td>
</tr>
<tr>
<td>Projector Screen – pull up</td>
<td>$900.00</td>
</tr>
<tr>
<td>Portable Microphone and speakers</td>
<td>$900.00</td>
</tr>
<tr>
<td>Media Costs – local paper</td>
<td>$600.00</td>
</tr>
<tr>
<td>Volunteer Training/hall hire/site fees</td>
<td>$150.00</td>
</tr>
</tbody>
</table>

No quotes/substantiation for the expense amounts have been provided. The IT equipment trolley, projector screen, portable microphone and speakers are not required for the consultation appointments at the Nuriootpa Library. However, this equipment is sought for use in their promotion of the pilot project and Advance Care Directive presentations in the Barossa.

The Group has advised that they are not able to contribute any funds to the project (have subsequently withdrawn the $750 stated in their Application). Funding applications have also been submitted to the Barossa Health Advisory Council and Grants SA; the Group are awaiting the outcome of the applications.

The Group is auspiced by Catalyst Foundation Incorporated (including Seniors Information Service) which is a not-for-profit Association.

Summary and Conclusion
Members may wish to defer a funding decision until the outcome of the Group’s other grant applications is known.

8.1.2 DEBATE AGENDA - GRANT ACQUITTALS

8.1.2.2
EASTERN HILLS AND MURRAY PLAINS CATCHMENT GROUP – JUTLAND NATURAL RESTORATION AND HERITAGE ENHANCEMENT PROJECT
B3342

PURPOSE

To consider the acquittal documentation in relation to the Community Grant awarded to the Eastern Hills and Murray Plains Catchment Group (EH&MPCG) towards its Jutland Natural Restoration and Heritage Enhancement project.

RECOMMENDATION

That the Community Assistance Scheme Committee receives and approves the Acquittal documentation in relation to the Community Grant of $1,500 awarded to the Eastern Hills and Murray Plains Catchment Group towards its Jutland Natural Restoration and Heritage Enhancement project.

REPORT

Background

The Jutland Water Reserve (“the Reserve”) is a 4.3 hectare parcel that forms part of the Upper Marne River catchment, 7.5kms east of Eden Valley in the Eastern Mount Lofty Ranges. It is classified as Community Land in accordance with Section 193 of the Local Government Act 1999. It has extensive local history and hosts a memorial plaque for returned servicemen which is regularly visited. In 2013, Council accepted the offer of the EH&MPCG to enter into agreement to manage the Reserve under a Management Plan. A Memorandum of Understanding was also executed in early 2016. The Reserve is located on the Barossa border of the Group’s catchment area.

The Community Assistance Scheme Committee (CASC), at its meeting held 6 September 2017, referred the Community Grant application from the EH&MPCG to Council, as it was outside of the Community Grant Guidelines. Council, at its meeting held 17 September 2017, resolved the following:

“MOVED Cr de Vries that Council approves the following support to the Eastern Hills & Murray Plains Catchment Group Inc toward the “Jutland natural restoration and heritage enhancement project” as proposed in their Community Grant Application dated 17 July 2017:

• Weed Management and Maintenance of the War Memorial Plaque Area: Council assistance via Customer Request and subsequent prioritisation

• Ecological Workshops, Working Bee and Concept Planning for small shelter: $1,500 (excl GST) funded from the Community Assistance Scheme budget.

Seconded Cr Lange

CARRIED 2014-18/1176”
Introduction
The Community Assistance Scheme Policy requires that “a written assessment of the project, including a financial statement (Acquittal Statement) is required from the Grant recipient on completion of the project”. The Acquittal Statement also requires copies of receipts/invoices for items on which the Grant was expended.

Discussion
A project report and a Grant Acquittal Statement and evidence of expenditure is provided in Attachment 1.

Comments:
- The EH&MPCG do not appear to have taken up Council’s offer of assistance for weed management and maintenance of the war memorial plaque area;
- Evidence of expenditure is provided for the Irongrass rehabilitation ecological workshop and catering. The General Manager has stated that “all expenditure for the workshop, working bees and concept plan have been provided in the export from our Finance system. An explanation of the expenditure is provided in the notes…….”
