PURPOSE
To consider a Community Grant Application from Eden Valley Institute Inc, seeking $10,000 towards its Kitchen Renovation project.

REPORT
Background
The Eden Valley Institute has been owned by the local Community for nearly 110 years and its affairs are managed by the elected Committee of Eden Valley Institute Inc as per its Constitution and Rules. The purpose of the organisation is to manage the Community Hall for the welfare and benefit and in the interests of the residents of the township and surrounding community of Eden Valley. The Committee is responsible for the repair and maintenance of existing buildings and to oversee improvements to the Institute.

Introduction
Representatives of Eden Valley Institute Inc met with Mayor Lange in May 2019 to discuss the Kitchen Renovation project. A Community Grant application was received from the group on 5 June 2019, seeking funding support of $10,000 from Council. Council’s policy is that all requests for funding must be considered by the CASC in the first instance, and if outside the CASC scope, as this request is, a recommendation be presented to Council for decision.

Cr Angas subsequently approved a Special Community Assistance Scheme Committee (CASC) meeting to consider this request before the end of the financial year. The next ordinary meeting of CASC is scheduled for 7 August 2019.
NOT CONFIRMED

Discussion
Eden Valley Institute Inc has requested a grant of $10,000 towards its Kitchen Renovation project and states that the funding would be put towards a major component of the renovation: the installation of pre-cast walling, which has been quoted at $18,315.

The remainder of the renovation is expected to cost a further $17,000 to $20,000, which will be completed with Eden Valley Institute Inc funds.

The Community Grant Application has been reviewed by Officers and comments are provided in the Application Summary Sheet (Attachment 1). A copy of the Application and supporting documentation, is provided in Attachment 2.

It is noted that the Kitchen Renovation project will require Development Approval (Planning and Building). The building is Local Heritage Listed and comments from Council’s Heritage Advisor will be integral to this approval. Eden Valley Institute Inc have been advised of this.

Also noted is clause 20 from the Eden Valley Institute Inc Constitution and Rules which states that the Association shall not “sell, transfer or dispose of the fee simple of the said land or any portion thereof, without the prior written approval of the District Council of Mount Pleasant” and “In the event of the dissolution of the Association or should the Association become inoperative or fail to properly function, then the said land shall thereupon be transferred to the District Council of Mount Pleasant for no monetary consideration. The Council as the local government authority in the township of Eden Valley and surround area and district, shall accept the transfer thereof”.

Eden Valley Institute Inc receives annual support from Council in the form of waived Council Rates.

Summary and Conclusion
CASC has delegation to approve Community Grants up to $3,000 (excl GST). This Application is requesting $10,000. The Application, together with a report and the CASC recommendation will be presented to the next Council Meeting for decision.
