J Lennon (Senior Assessment Officer, Planning) advised the Panel that subsequent to the publishing of the Agenda, the Applicant had lodged a separate application for the verandah, and has since received approval for the verandah.

M Moliviatis (Applicant) answered questions from the Panel.

Recommendation

The Barossa Assessment Panel, having considered the application for consent to carry out development of land and pursuant to the provisions of the Development Act 1993 resolves:

(a) Pursuant to Section 6(2) of the Character Preservation (Barossa Valley) Act 2012, the Barossa Assessment Panel has had regard to the objects of that Act and, in determining this application, seeks to further the objects of that Act.
(b) That the proposed development is not seriously at variance with The Barossa Council Development Plan.

(c) To REFUSE Development Plan Consent for Application No. 960/317/2019 by MD Moliviatis to undertake Construction of a verandah attached to the rear of an existing dwelling; Construction of a domestic outbuilding - shed (measuring 12.25m x 6.0m x 3.6m wall height) at 3 Smith Street, Angaston (CT 5632/48) for the following reasons:

The proposed development is contrary to:

- General Section, Siting and Visibility Module Principles of Development Control 4(a) and (b).
  Reason: Due to the visual impact of the outbuilding as viewed from adjoining properties.

- General Section, Design and Appearance Module Principles of Development Control 4(a)
  Reason: Due to the visual impact of the outbuilding as viewed from adjoining properties.

- General Section, Residential Development Module Principles of Development Control 23 and 24.
  Reason: Proposal not consistent with the quantitative parameters sought for Private Open Space with Residential Development.

- Residential Zone Objectives 4; Principle of Development Control 6
  Reason: Outbuilding not consistent with the Desired Character of the Zone.

- Residential Zone Principle of Development Control 8
  Reason: Outbuilding not consistent with the quantitative parameters sought for outbuildings in this Zone.

Panel Decision

Moved: R Johnstone  
Seconded: R Veitch

That the Barossa Assessment Panel defer considerations of application 960/317/2019 to enable the applicant to provide further information in relation to the height of the proposed shed.

CARRIED
R Johnstone left the meeting at 5:08pm due to a stated conflict of interest.

**Recommendation**

The Barossa Assessment Panel, having considered the application for consent to carry out development of land and pursuant to the provisions of the Development Act 1993 resolves that the development proposal is seriously at variance to The Barossa Council Development Plan and is therefore REFUSED pursuant to Section 35(2) of the Development Act 1993 for the following reasons:

The proposed development is contrary to:
