6.1.1.1 EDEN VALLEY TOURISM AND PROMOTIONAL GROUP INC - EDEN VALLEY WINE REGION TOURISM WEBSITE

B3342

MOVED Cr Wiese-Smith that the Community Assistance Scheme Committee defers a decision on the Community Grant Application submitted by the Eden Valley Tourism and Promotional Group Inc (EVTPG) for funding towards its project, Eden Valley Wine Region Tourism Website, pending further information following consultation between EVTPG and Tourism Barossa and Barossa Grape and Wine Association (BGWA) regarding its project and how Eden Valley currently fits into Tourism Barossa and BGWA strategy and promotion.
Seconded Cr Troup

CARRIED
PURPOSE
To consider a Community Grant Application from Eden Valley Tourism and Promotional Group Inc. (the Group) seeking $6,300 (ex GST) towards their Eden Valley Wine Region Tourism Website project (Attachment 2).

REPORT

Background
The Eden Valley Tourism and Promotional Group became incorporated in 2009. Their Constitution states that “The Chief Objects of The Association are to improve services, maintain the heritage of Eden Valley and promote the interests of its community from a social, economic, environmental and recreational perspective.” They state numerous small goals have been achieved including the development of the Eden Valley Lookout, the Sculpture Project depicting the town’s local history, and Eden Valley float for the biennial Vintage Festival Parade.

Introduction
The Group is seeking funding to overhaul their aged website and replace it with a modern, user-friendly upgrade to promote Eden Valley specifically and the whole geographic indicator area generally, as a part of the greater Barossa region. They hope to build brand awareness, promote tourism activity and bring people and therefore revenue, to the region. The Group engages with community members and local businesses to highlight their activities and events through their facebook page, website and newsletter.

Discussion
The Group states that the Eden Valley Wine Region encompasses 1,500+ people and approximately 35 small business operators. It has conducted extensive surveys of over 40 local wineries, cellar doors and eateries, 21 suppliers of accommodation, 12 art and cultural venues and 12 function hire venues, with 91% of responses saying they would actively support the website by taking advantage of its membership options, and over 50% of them already committing what financial package they would buy. (Letters of support are provided in Attachment 2.)

In March 2020, the Group applied for funding through the Foundation of Rural and Regional Renewal Small Vital Grants, but were not successful. Subsequently, the Group decided to divide the project into discrete stages to increase the opportunities for funding. Stage 1, for which this Community Grant application is seeking funding of $6,300, is as follows:

<table>
<thead>
<tr>
<th></th>
<th>$  ex GST</th>
</tr>
</thead>
<tbody>
<tr>
<td>BASE Website Design and Development</td>
<td>$ 8,870</td>
</tr>
<tr>
<td>Hosting Fee</td>
<td>$ 300</td>
</tr>
<tr>
<td>SSL Certificate</td>
<td>$ 130</td>
</tr>
<tr>
<td>TOTAL</td>
<td>$ 9,300</td>
</tr>
</tbody>
</table>

Future stages are “add-on” components which they hope to achieve through other funding grants, such as ANZ Seeds of Renewal.

(The Group has provided a quote and project proposal from Stellar Digital. It is not included in Attachment 2 as it is marked Commercial in Confidence information.)

The Group hopes that once the first stage is implemented, it will make attracting future funding for further modules easier to secure. This is the reason they are requesting a larger Community Grant from Council. They feel the project is so important for the development of tourism in the area and also why they have committed half of their current cash reserves to the project. It is their highest priority.

Stated income for the project is:

<table>
<thead>
<tr>
<th></th>
<th>$  ex GST</th>
</tr>
</thead>
<tbody>
<tr>
<td>Group Funds</td>
<td>$ 1,000</td>
</tr>
<tr>
<td>Fundraising</td>
<td>$ 2,000</td>
</tr>
<tr>
<td>Requested Community Grant</td>
<td>$ 6,300</td>
</tr>
<tr>
<td>TOTAL</td>
<td>$ 9,300</td>
</tr>
</tbody>
</table>
They state that the project could proceed if only partial funding is received from Council, but significant additional fundraising would need to occur. For a community the size of Eden Valley, the website rebuild is a significant project.

Various Council Officers have provided comment on the Application and proposal (Attachment 1).

Summary and Conclusion
Officers are generally supportive of the website project, provided it aligns with Barossa branding and barossa.com. Council’s Manager Tourism Services is supportive of the overall concept to help promote the sub-region, and encourages the Group to consult and communicate with the Barossa Visitor Centre team to avoid duplication of resources and to develop a more strategic approach to promotion and how they can link in with Barossa.com, regional visitor guide, social media and other key regional resources.

Officers have some concern about consistency of approach by Council, in that requests from other organisations for funding through the New Initiatives process were not approved, due to no New Initiatives accepted in the 2020/21 financial year.

The Hosting Fee ($300) and SSL Certificate ($130) may be considered operational/admin costs which are not supported under the Community Grant Guidelines.

CASC has delegation to approve Community Grants up to $3,000 (ex GST). This Application is requesting $6,300 (ex GST). The Application, together with a report and the CASC recommendation will be presented to the next Council Meeting for decision.

6.1.1.2 PARKRUN INC – ESTABLISHMENT OF WEEKLY PARKRUN EVENT AT SOUTH PARA RESERVOIR B3342

MOVED Cr Wiese-Smith that the Community Assistance Scheme Committee approves a Community Grant of $3,000 (ex GST) to Parkrun Inc towards establishment of a free weekly parkrun event at South Para Reservoir near Williamstown, subject to Parkrun Inc receiving written approval from SA Water for use of the property.

Seconded Cr Schilling

CARRIED

PURPOSE
To consider a Community Grant Application from Parkrun Inc, seeking $3,000 (ex GST) towards establishment of a parkrun event at South Para Reservoir, near Williamstown (Attachment 2).

REPORT
Background
Parkrun is a not-for-profit organisation which provides free weekly, timed, volunteer led 5km walk/run to communities across the world. In 2017, Council supported the establishment of the Nuriootpa parkrun at Coulthard Reserve, Nuriootpa.

Discussion
This project will establish a new parkrun event at South Para Reservoir near Williamstown. It will be a free, weekly 5km walking/running/volunteering event, held every Saturday morning on an ongoing basis (with no additional funding required). The idea for the project came from the community and it will be delivered by local volunteers, supported by parkrun Australia. It is anticipated that the start date for the proposed new event will be late 2020, subject to Covid-19 restrictions.

As parkrun is a not-for-profit organisation, each new event is responsible for sourcing its own start up funds of $7,500. The cash and investment holdings of parkrun Australia are held in reserve to cover the ongoing costs of the 402 parkrun events currently established in Australia.
The start up and establishment costs ($5,500 ex GST) fund essential equipment, licences, IT infrastructure and insurance and the remaining $2,000 is required for a defibrillator (mandatory at all Australian events). (Refer quote in Attachment 2.) A Community Grant of $3,000 ex GST would finance portion of the start-up and establishment costs. Additional funding is being sourced for the remaining $4,500.

Parkrun expect that the project will benefit the Williamstown and surrounding community by promoting community physical activity participation for people of all abilities and removing traditional barriers to physical activity participation.

Various Council Officers have provided comment on the Application and proposal (Attachment 1).

Summary and Conclusion
Officers support the proposed new parkrun event. The Manager Community Projects provided a formal letter to the Williamstown community group, supporting the application for a parkrun event at Williamstown.

**MT MCKENZIE HALL INC - COMMUNITY FIRE FIGHTING TANK**

B3342

MOVED Mayor Lange that the Community Assistance Scheme Committee:

1) supports in principle, the Mt McKenzie Hall Inc Community Fire Fighting Tank project;

2) defers a decision on the Community Grant Application submitted by Mt McKenzie Hall Inc for funding towards its Community Fire Fighting Tank project, pending further information on the following:
   - access to water to fill the tank (ie where will the water come from)
   - whole of life costs of the project
   - how ongoing costs will be funded

Seconded Cr Barrett

CARRIED

**PURPOSE**

To consider a Community Grant Application from Mt McKenzie Hall Inc, (the Group) seeking $15,722 (incl GST) towards their Community Fire Fighting Tank project (Attachment 2).

**REPORT**

*Background*

Mt McKenzie is a small semi rural community, half way between Angaston and Eden Valley. The Mt McKenzie Hall property has been owned by the local Community for 94 years and is managed by Mt McKenzie Hall Inc. Objectives of the organisation include provision of “facilities for all people who identify with the Mount McKenzie community to interact with each other and share ideas” and “at all times be operated for the benefit of community members”. (From Rules of the Mt McKenzie Hall Incorporated)

*Introduction*

The Group’s planned major capital expense for 2020 was the installation of a fire fighting water tank. This project can no longer be funded by the Group due to cancellation of all community fundraising events in response to the COVID-19 pandemic. (In 2019, the Group’s fundraising exceeded $15,000 which was used to upgrade the Hall facilities.)

*Discussion*

The Mt McKenzie Hall is one of the last remaining community managed halls in the region. There are 36 properties in the near area of the Hall and an estimated 400 residents in the wider area. There is no mains water connected at Mt McKenzie and also no communal water infrastructure. The Group unanimously agreed that the purchase of a 160kl fire fighting tank would come from funds raised during 2020. The proposed asset would help both the CFS and farm fighting units to protect the local area.
The Group has sourced quotes from local trades and businesses (refer Attachment 2) and provided the following costs:

<table>
<thead>
<tr>
<th>Item</th>
<th>Cost (inc GST)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Heritage 160kl tank</td>
<td>13,550</td>
</tr>
<tr>
<td>Quarry materials</td>
<td>753</td>
</tr>
<tr>
<td>Civil site works and prep</td>
<td>2,000</td>
</tr>
<tr>
<td>Materials, 100mm water delivery</td>
<td>200</td>
</tr>
<tr>
<td>Fire pump and electrical installation</td>
<td>719</td>
</tr>
</tbody>
</table>

**TOTAL** $17,222

The Group has indicated it can provide $1,500 of its own funds toward the project.

They understand that the application is for a substantial sum of money and if Council cannot grant the full amount, request that consideration be given for the cost of the supply and installation of the tank. The Group would then concentrate future community fundraising to raise the shortfall after Covid-19 restrictions are lifted. They have not sought other funding sources at this point. The Chair of Mt McKenzie Hall Inc has stated that their application is “critical for our local community”.

Various Council Officers have provided comment on the Application and proposal (Attachment 1). Planning and building approval will be required and, as the site is local heritage listed, any application will be required to be reviewed by Council’s Heritage advisor.

**Summary and Conclusion**

Officers have briefly investigated other funding sources for this project, given the scale of funding sought. CASC could be used to leverage other funding applications (grants, etc). It is suggested that the Group enquire with Primary Industries and Regions SA (PIRSA) or investigate the Building Better Regions Fund round 5 that may come out at the end of the year. It is understood that there are currently no Emergency Services Grants out, but this may change coming into summer. Council’s drought support funding program has already been resolved by Council.

Officers recommend that any Community Grant payment be subject to Planning and Building approvals being granted prior to 30 June 2021 and the project being fully funded.

Officers have some concern about consistency of approach by Council, in that the request may be considered a New Initiative. Requests from other organisations for funding through the New Initiatives process were not approved, due to no New Initiatives in the 2020/21 financial year.

CASC has delegation to approve Community Grants up to $3,000 (excl GST). This Application is requesting $14,292 ex GST (ie $15,722 inc GST). The Application, together with a report and the CASC recommendation will be presented to the next Council Meeting for decision.

PURPOSE
To consider the acquittal documentation in relation to the Community Grant awarded to Carers and Disability Link Inc towards its Acceptance and Commitment Therapy Training for Barossa Carers project.

REPORT

Background
The Community Assistance Scheme Committee (CASC), at its meeting held 7 August 2019, approved a Community Grant of $2,000 to Carers and Disability Link Inc towards its Acceptance and Commitment Therapy Training for Barossa Carers project.
Introduction
The Community Assistance Scheme Policy requires that “a written assessment of the project, including a financial statement (Acquittal Statement) is required from the Grant recipient on completion of the project”.

Discussion
A project report and a Grant Acquittal Statement and evidence of expenditure is provided in Attachment 1. The Acquittal requests copies of receipts/invoices, but a copy of Account Transactions has been provided in lieu.

Noted that the Account Transactions total $1,961.36 and there was an internal cost allocation for the remainder of the Grant expenditure.

Introduction
The Community Assistance Scheme Policy requires that “a written assessment of the project, including a financial statement (Acquittal Statement) is required from the Grant recipient on completion of the project”.

Discussion
The Barossa Archery Club Inc provided its Grant Acquittal Statement at the end of April 2020, advising that Club had received Council approval and had progressed with the project. The grounds had been cleared and levelled and the shed base laid, prepared and compacted. Progress stopped when Club activities were halted due to Covid-19 restrictions. They advised that the next stage, when they reopen, was to pour the shed footing, lay the retaining walls and then commence installation of the shed.

The Community Grant assisted with surveyor, engineering, certification and cement costs. Copies of invoices are included with the Acquittal Statement in Attachment 1. The Club has paid for the shed and development approval fees.

The Club has subsequently advised that progress has resumed since restrictions have lifted. They have purchased the materials and installed the retaining wall required to support the foundation. The next phase is for concrete footing and floor, which they are currently fundraising for.

PURPOSE

To consider a request from the Angaston & Penrice Historical Society Inc for an extension of time to complete their project: Creation of Angaston Heritage Brand and Cultural Heritage Experience.

REPORT

Background
The Community Assistance Scheme Committee, at its 1 May 2019 meeting, approved a Community Grant of $3,000 to the Angaston & Penrice Historical Society Inc towards their project: Creation of Angaston Heritage Brand and Cultural Heritage Experience.

Introduction
The Community Grant Guidelines require the “grant funds must be expended within 12 months of the grant approval (unless prior approval has been sought)”. 

Discussion
A request has been received from Angaston & Penrice Historical Society Inc for an extension of time to complete their project, as the majority of the Grant is not yet expended. They intend to use most of it for a short video and the remainder for additional printed material. They expect the funds to be expended by the end of 2020.

**CARRIED**

**PURPOSE**

To consider the further information and updated Community Grant Application provided by Southern Barossa Alliance Inc (SBA) towards its project: “Development of Sustainable Wildlife Rescue Service in Barossa Valley”.

**REPORT**

Introduction

Southern Barossa Alliance Inc submitted a Community Grant application in March 2019 to support the transition of the informal Barossa Wildlife Rescue volunteer group to “a sustainable, incorporated, not-for-profit, charitable body providing a wildlife rescue service in the Barossa Valley”.

The Community Assistance Scheme Committee (CASC), at its meeting held 1 May 2019, resolved the following:

**MOVED** Mayor Lange that the Community Assistance Scheme Committee (CASC) defers its decision on the Community Grant Application submitted by Southern Barossa Alliance Inc for funding towards its “Development of Sustainable Wildlife Rescue Service in Barossa Valley”,

---

Minutes of the Community Assistance Scheme Committee Meeting held on 5 August 2020
An excerpt from the Minutes is provided in Attachment 1.

The CASC, at its meeting held 7 August 2019, resolved the following:

MOVED Mayor Lange that the Community Assistance Scheme Committee;

(1) acknowledge and commend the work of Barossa Wildlife Rescue;
(2) provide in-principle support for Southern Barossa Alliance Inc (SBA) project concept to auspice the transition of Barossa Wildlife Rescue to a sustainable, incorporated, not-for-profit, charitable group providing wildlife rescue service in the Barossa Valley;
(3) defer consideration of a Community Grant pending completion of the following Tasks in the SBA Project Plan (Ref: 19/67795):
   - Task 1: SBA/Barossa Wildlife Rescue Auspice Agreement
   - Task 4: Risk Assessment and Risk Management Plan for Wildlife Rescue Operations
   - Task 5: Stakeholder Engagement Workshop with Barossa Wildlife Rescue volunteers, Native Animal Network SA Inc, Fauna Rescue Inc and The Barossa Council
   - Task 6: A report on options for sustainable operations of the Wildlife Rescue Service

Seconded Cr Wiese-Smith

An excerpt from the Minutes is provided in Attachment 2.

An update report was provided to the 5 February 2020 CASC meeting (Attachment 3) where:

“Members noted the Progress Report from SBA, received by Council on 5 February 2020. Ms Tappert commended SBA on the substantial progress it has made in leading the project and achieving tasks in their Project Plan. Officers will liaise with the SBA to ascertain if any changes are required to their initial Community Grant Application so that it may be considered again at the 6 May 2020 CASC meeting.” (Excerpt from Minutes of meeting.)

Discussion
Since the last update report provided to the 5 February 2020 CASC meeting, Officers have liaised with SBA to ascertain if any changes were required to their initial Community Grant application so that it might be considered again at the next CASC meeting.

SBA have provided a further update report (received 31 July 2020), which outlines the completion of the required tasks and amended project expenditure items (Attachment 4).

A summary of their activities (mapped to their Project Plan) follows:

- BWR has continued to provide a wildlife rescue service in the Barossa and surrounding districts throughout the COVID Crisis at the historical rescue rate level.
- A SBA/Barossa Wildlife Rescue Auspicing Agreement was signed in February 2020 (Completion Task 1).
- Stakeholder Engagement Workshop held on 17 December 2019 with 15 people attending including 10 Carers, Anne Pashley from Native Animal Network SA and Melaney Crawford from the Fauna Permits Unit National Parks and Wildlife Service South Australia. Mel provided a training session for the 10 carers who attended on the updated Fauna Permit requirements and Ann briefed on the limited capacity of Native Animal Network SA to support fauna rescue in the Barossa. (Completion Task 5).
- A Barossa Wildlife Rescue Group Sub-Committee of the SBA was formed in February 2020, with finance and governance support provided by the SBA. The sub-committee has been very active in ensuring the BWR operations continue safely during the COVID-19 crisis.

Minutes of the Community Assistance Scheme Committee Meeting held on 5 August 2020
An initial Risk Assessment has been drafted and is progressing rescue and care policies and procedures for the animal types being rescued and cared for. They are engaging Wildcare Australia Inc to establish a collaborative arrangement to enable BWR to utilise their Safety Management Manual and to provide mentoring support if required. (Task 4).

Report prepared on the sustainable operations of the Wildlife Rescue Service. Draft constitution completed on 30 July 2020, which included the mandatory requirements for registration as a charity (Task 6).

Agreement negotiated with Barossa Fresh Foodland in Nuriootpa and She’s Apples for the weekly donation of second grade fruit and vegetables.

A Flight Cage was donated to BWR and installed by a Pernod Ricard Staff Community Service Working Bee.

Cooperages 1912 is scheduled to conduct an aviary maintenance and weed removal Staff Community Service day in mid-August 2020.

The Sub-committee has postponed its planned sponsorship drive due to the impact of COVID-19 on local businesses.

SBA has amended its project expenditure details due to the uncertainty of the ongoing impact of COVID-19 to ensure the security of the supply of the core animal food supplies (hay, pellets, milk supplements and vet supplies) during the transition period:

a. Delete the requirement for the pre-release bird flight cage.

b. Reduce the Volunteer Rescue and Care Training to $200 to cover a cooperative alliance with Australia Wildcare to gain access to wildlife rescue and care policies and procedures and mentoring.

c. Add the requirement for 3 months of animal food supplies at a cost of $1,500.

d. Reduce the marketing effort due to impact of COVID-19 on local economy to $100.

The updated Community Grant application requests funding for the following:

- Public Liability Insurance (SBA) $80
- Safe Rescue Equipment – netting, poles, bags, cages: $900
- First Aid/Medicine kit $200
- Access to Wildcare Policies and procedures $200
- Marketing, Membership/ Sponsorship Website $100
- Security of Transition Animal Food Supplies $1,500

Total Expenditure $2,980

A copy of the updated Application is provided in Attachment 5.

Noted that Rose Brooks recently retired from her employment and although involved full time with the BWR, is unable to sustain her previous level of funding support. SBA state that “COVID-19 has resulted in significant losses in income in our community a subsequent decrease in donations”.

Summary and Conclusion

Officers agree that the project is a worthwhile cause, but also have mixed opinions as to Council’s funding priorities and core business. There are some concerns with ongoing sustainability of the service; however, the proposed constitution will address management of funds and property and winding up provisions. The BWR has listed fundraising and succession strategies in its ‘Options for Sustainable Operations of Barossa Wildlife Rescue’ report (Attachment 4).

5.1.5 **UPDATE – EDEN VALLEY INSTITUTE INC – KITCHEN RENOVATION PROJECT**

CASC, at its meeting held 18 June 2019, resolved the following:

**MOVED** Cr Wiese-Smith that the Community Assistance Scheme Committee:

1) supports in principle, the Eden Valley Institute Inc Kitchen Renovation project;

2) recommends that Council approve a Community Grant of $10,000 (ex GST) for the Eden Valley Institute Inc Kitchen Renovation project, subject to Planning and Building approvals being granted.

**Seconded** Cr Barrett **CARRIED**

Council was required to consider the recommendation from CASC to grant $10,000 ex GST to the Eden Valley Institute Inc (the Group) for their kitchen renovation project.

Council, at its special meeting held 27 June 2019, approved a Community Grant of $10,000 (ex GST) for the Eden Valley Institute Inc project. The Grant was paid to the Group on 25 July 2019 from the 2018/19 Community Assistance Scheme budget. The Group stated that the funding would be put towards a major component of the renovation: the installation of pre-cast walling.

On 13 May 2020, the project received Development Plan Consent. It is currently undergoing Building Rules Assessment and officers are seeking further information from the Group.

The Community Grant Guidelines require that “grant funds must be expended within 12 months of the grant approval (unless prior approval has been sought)”. The Group has been contacted to request an extension of time to complete their project.
5.1.6 **CASC MEETING DATES 2021**
CASC, at its 4 December 2018 meeting, resolved that Committee meetings be held “in the first week of May, August, November and February each year, at times determined by the Committee”. Meetings were moved to the middle month of each Quarter, rather than in the last month of the Quarter, mainly to alleviate end of financial year considerations often experienced at June meetings. Members preferred that meetings be held prior to the Council Workshop on the first Wednesday of the month.

2021 CASC meetings are scheduled to be held on 3 February, 5 May and 4 August (Wednesdays) prior to the Council Workshop and on Tuesday 2 November to enable Council’s Heritage Advisor to attend.

The meeting schedule will be loaded to Council’s website during November.

6.1.2 DEBATE AGENDA - APPLICATION DEFERRED FROM PREVIOUS MEETING

6.1.2.1 EDEN VALLEY TOURISM AND PROMOTIONAL GROUP INC - EDEN VALLEY WINE REGION TOURISM WEBSITE

PURPOSE
To further consider the Community Grant Application from Eden Valley Tourism and Promotional Group Inc, (the Group) seeking $6,300 (ex GST) towards their Eden Valley Wine Region Tourism Website project (Attachment 1).

RECOMMENDATION
That the Community Assistance Scheme Committee:

1) acknowledges and supports the Eden Valley Tourism and Promotional Group Inc desire to upgrade its website and actions undertaken to date;

2) requires further consultation and communication between the Group and Tourism Barossa, Barossa Grape and Wine Association, Mount Pleasant Progress Association Inc and Council’s Tourism Services team at the Barossa Visitor Centre regarding their proposed project: “Eden Valley Wine Region Tourism Website” and promotion of the sub region and the potential opportunity and linkage with other neighbouring sub-regions and provide a report of the meetings to the Community Assistance Scheme Committee.

REPORT

Background
The Community Grant application submitted by the Eden Valley Tourism and Promotional Group for funding towards its new website project, was considered by the Community Assistance Scheme Committee (CASC) at its 5 August 2020 meeting. CASC resolved the following:

MOVED Cr Wiese-Smith that the Community Assistance Scheme Committee defers a decision on the Community Grant Application submitted by the Eden Valley Tourism and Promotional Group Inc (EVTPG) for funding towards its project, Eden Valley Wine Region Tourism Website, pending further information following consultation between EVTPG and Tourism Barossa and Barossa Grape and Wine Association (BGWA) regarding its project and how Eden Valley currently fits into Tourism Barossa and BGWA strategy and promotion.

Seconded Cr Troup

CARRIED

Introduction
A copy of the report and supporting documentation considered at the 5 August 2020 meeting is provided at Attachment 1.
**Discussion**

The Group was advised that CASC deferred its decision on their Community Grant application, pending the receipt of further information, following suggested consultation with Tourism Barossa and Barossa Grape and Wine Association (Attachment 2). A copy of their email response is provided at Attachment 3.

The Group advised that Jess Greatwich from Tourism Barossa, attended their committee meeting on 21 September 2020 and that it was “an excellent session with a lot of positive sharing of information both ways. We have agreed to work closely together as much as we can”.

However, the Group believes that an upgrade of their current website is still critically important, even though Tourism Barossa will provide a greater presence on its website, as there will still be links out to individual providers; having an up-to-date site is key. If the partnership proceeds swiftly enough, the Group suggests that future stages of their website project may not be required.

Their Application states that the Group conducted surveys of over 80 businesses/venues, with 91% of responses saying they would actively support the website by taking advantage of its membership options, and over 50% of them already committing what financial package they would buy. (Membership levels include Basic (free); Level 2 contributing $150 per business per annum, and Level 3 contributing $300 per annum to utilise the website for promotion of their wine and tourism ventures.

Officers’ view is that a contribution by Council to support the development of a website platform to benefit any sub-region should allow for inclusive membership of any local business. The Basic membership level would ideally provide this representation.

As reported to the last CASC meeting, Stage 1 of the project, for which the Group are seeking funding of $6,300, is as follows:

<table>
<thead>
<tr>
<th></th>
<th>$ ex GST</th>
</tr>
</thead>
<tbody>
<tr>

<td>$ 300</td>
</tr>
<tr>
<td>SSL Certificate</td>
<td>$ 130</td>
</tr>
<tr>
<td><strong>TOTAL</strong></td>
<td><strong>$ 9,300</strong></td>
</tr>
</tbody>
</table>

Stated income for the project is:

<table>
<thead>
<tr>
<th></th>
<th>$ ex GST</th>
</tr>
</thead>
<tbody>
<tr>
<td>Group Funds</td>
<td>$ 1,000</td>
</tr>
<tr>

</tr>
</tbody>
</table>

**Summary and Conclusion**

Officers are generally supportive of the website project, provided it aligns with Barossa brand guidelines and barossa.com. Council’s Manager Tourism Services is supportive of the overall concept to help promote the sub-region on the basis that Council’s Tourism Services team, along with key stakeholders, Tourism Barossa and Barossa Grape and Wine, are consulted throughout the duration of the project. She encourages the Group to
communicate with the Barossa Visitor Centre team to avoid duplication of resources and to develop a more strategic approach to their promotion and how they can link in better with the Visitor Centre, Barossa.com, regional visitor guide, social media and other key regional resources.

The strategic intent of this deliverable also links to the endorsed Tourism Recovery – Barossa Sub-regions and Townships Project as tabled at the 20 October 2020 Council meeting. (Council approved funding of up to $20,000 ex GST, subject to committed funding of $13,000 ex GST from Tourism Barossa.)

The Manager Tourism Services has discussed the Group’s project with Tourism Barossa; they agreed that this sub region has great potential and can understand the need for a good website. However, they feel the Group could also be assisted in other ways:

- strategic planning and capacity building for their sub-region
- an understanding on their key brand messaging
- improved cohesion between local groups
- opportunity for shared digital infrastructure across multiple sub-regions eg one website backend solution with frontend capabilities for multiple towns.

Officers recommend that the group liaise with the Mount Pleasant Progress Association Incorporated for any opportunity to partner to achieve similar outcomes. The Mount Pleasant group are also keen to have an outdoor kiosk / website development for Mount Pleasant. There may be an opportunity to share development and hosting costs for the two townships, even if the front end customer facing experience is separate and unique to each town.

As reported to the last CASC meeting, officers have some concern about consistency of approach by Council, in that requests from other organisations for funding through the New Initiatives process were not approved, due to no New Initiatives being accepted in the 2020/21 financial year.

The Hosting Fee ($300) and SSL Certificate ($130) may be considered operational/admin costs which are not supported under the Community Grant Guidelines.

CASC has delegation to approve Community Grants up to $3,000 (ex GST). This Application is requesting $6,300 (ex GST). The Application and CASC recommendations will be reported to the next Council Meeting.

6.1.2.2
MT MCKENZIE HALL INC - COMMUNITY FIRE FIGHTING TANK
B3342

PURPOSE
To further consider the Community Grant Application from Mt McKenzie Hall Inc, (the Group) seeking $15,722 (incl GST) towards their Community Fire Fighting Tank project (Attachment 1).

RECOMMENDATION
That the Community Assistance Scheme Committee:

1) supports in principle, the Mt McKenzie Hall Inc “Community Fire Fighting Tank” project;
2) recommends that Council approve a Community Grant of $................. (ex GST) for the Mt McKenzie Hall Inc “Community Fire Fighting Tank” project, subject to Planning and Building approvals being granted prior to 30 June 2021 and the project being fully funded;
3) recommends that payment of the Grant be made to Mt McKenzie Hall Inc on confirmation of Planning and Building approvals and the project being fully funded.

REPORT
Background
The Community Grant application submitted by Mt McKenzie Hall for funding towards a community fire fighting tank, was considered by the Community Assistance Scheme Committee (CASC) at its 5 August 2020 meeting. CASC resolved the following:

MOVED Mayor Lange that the Community Assistance Scheme Committee:
1) supports in principle, the Mt McKenzie Hall Inc Community Fire Fighting Tank project;
2) defers a decision on the Community Grant Application submitted by Mt McKenzie Hall Inc for funding towards its Community Fire Fighting Tank, project, pending further information on the following:
   - access to water to fill the tank (ie where will the water come from)
   - whole of life costs of the project
   - how ongoing costs will be funded

Introduction
A copy of the report and supporting documentation considered at the 5 August 2020 meeting is provided at Attachment 1.
Discussion
The Group was advised that the CASC deferred its decision on their Community Grant application, pending further information (Attachment 2). A copy of their response is provided at Attachment 3, and summarised below.

Water Collection:
Water to fill the 160kl tank will come from rainfall. At the time of installation, 10% of the water capacity will need to be placed to ensure the liner settles and there is sufficient weight to the structure. Eden Valley CFS has agreed to deliver water for this purpose.

Whole of Life Costing:
Heritage water tanks have a 20 year conditional warranty. The Group do not anticipate any significant direct expenses relating to the tank over the service life of a minimum of 20 years. Regular housekeeping and preventative maintenance will ensure that the tank is fit for purpose for the long term. Their proposed preventative maintenance plan and annual cost assumptions are included in Attachment 3. The tank and pump will be covered under the Community Hall’s insurance.

Tank Access:
For water security purposes, the ball valve at the tank will be locked with a CFS supplied universal lock. All CFS appliances in SA have a key to unlock the valve. Mt McKenzie Hall personnel will not have to manage tank access. There will be ample space for various vehicle configurations to access water, ranging from the CFS bulk water truck, local appliances and farm fire fighters of varying design and size.

The second option for water access will be via an electric start fighter/water transfer pump located next to the proposed fire tank. The pump will be securely mounted and caged during the fire season. Access to the unit will be unrestricted during declared catastrophic fire days.

As reported to the last CASC meeting, the Group has sourced quotes from local trades and businesses and provided the following costs:

The Group has indicated it can provide $1,500 of its own funds toward the project.

The Group appreciates that the application is for a substantial sum of money and if Council cannot grant the full amount, request that consideration be given for the cost of the supply and installation of the tank. The Group would then concentrate future community fundraising to raise the shortfall. They have not sought other funding sources at this point. The Chair of Mt McKenzie Hall Inc has stated that their application is “critical for our local community”.
Planning and building approval will be required and, as the site is local heritage listed, any application will be required to be reviewed by Council’s Heritage advisor.

Summary and Conclusion
Officers briefly investigated other potential funding sources for this project, given the scale of funding sought, and advised the Group.

Officers recommend that any Community Grant payment be subject to Planning and Building approvals being granted prior to 30 June 2021 and the project being fully funded.

Officers have some concern about consistency of approach by Council, in that the request may be considered a New Initiative. Requests from other organisations for funding through the New Initiatives process were not approved, due to no New Initiatives in the 2020/21 financial year.

CASC has delegation to approve Community Grants up to $3,000 (excl GST). This Application is requesting $14,292 ex GST (ie $15,722 inc GST). The Application, together with a report and the CASC recommendation will be presented to the next Council Meeting for decision.

6.1.3 DEBATE AGENDA - REQUEST FOR EXTENSION OF TIME

6.1.3.1 MOCULTA DISTRICT HISTORY SOCIETY INC - REQUEST FOR EXTENSION OF TIME

B3342

PURPOSE
To consider a request from Moculta District History Society Inc for an extension of time to complete their project: Freestanding Shelter to house a locally built Linke Stripper.

RECOMMENDATION
That the Community Assistance Scheme Committee approves an extension of time to 30 April 2021 to Moculta District History Society Inc to complete their project: Freestanding Shelter to house a locally built Linke Stripper.

REPORT

Background
The Community Assistance Scheme Committee, at its 5 November 2019 meeting, approved a Community Grant of $3,000 to Moculta History Society Inc (MDHS) towards their project: Freestanding Shelter to house a locally built Linke Stripper.

Introduction
The Community Grant Guidelines require the “grant funds must be expended within 12 months of the grant approval (unless prior approval has been sought)”.

Discussion
A request has been received from MDHS for an extension of time to complete their project. Pool fencing for the shelter has been purchased but not yet installed and information signs require manufacture and installation. They expect the project to be finalised in four to six months.
